Description

These office spaces have been carefully overhauled and present themselves as one of the most striking and impressive office properties within the complex. Having been the subject of an extensive refurbishment programme in parts, the property enjoys an elegant flow from the central staircase with an urban light industrial feel to each of the office floors. The ground and first floor have undergone a recent scheme of refurbishment to suit the current occupier and staff – although these spaces are easily adaptable for any future occupier. The second floor & loft space could benefit from similar upgrades – although they only comprise a small part of the building.

Location

Unit 7, 210 Shepherd's Bush Road is a prime Freehold commercial space located in one of West London's most dynamic and exciting neighbourhoods, the subject property enjoys a supremely discrete position within this fully operational private gated business complex.
