## Description

259-279 Goswell Road is a recent development that comprises 60 flats and commercial floors over the ground and basement level. The subject property; Ground & Basement - 259 Goswell Road is currently the home of The Urdang Academy – a pre-vocational and professional training centre in the performing arts, formed in 1970 by Leonie Urdang, her revolutionary ethos aimed to promote individuality and diversity within the performing arts industry and is now recognised as one of the finest performing arts colleges in the United Kingdom. Presented to the market as their former Headquarters, this is an exceptionally rare opportunity to acquire FOR LEASE/SALE a fully self-contained and significant building with an arsenal of spectacular state-of-the-art features.

This exceptional piece of real estate enjoys a stylish and modern façade along with a commanding position on Goswell Road, the building benefits from a smart reception space with large central walkways that lead to several supremely fitted rooms of varying sizes currently arranged as dance studios – the ground floor also contains office space and meeting room facilities.

Benefiting from a substantial programme of updated internal upgrades to suit the current occupier, this property is available to the market for a wide range of uses. The Landlords have dedicated significant resources to creating a free-flowing range of spaces with excellent levels of natural light in parts, air-conditioning and security features that offer a 'best-in-class' opportunity to potential occupiers.

## Permitted Use

The current leaseholder obtained planning permission in 2013 to convert part of the ground floor and basement from B1 to D1 use for the Urdang Academy, covering 1352 sqm. The permission is specific to the academy, and upon cessation of their use, the property will revert to B1. However, under new legislation, the property will revert to E-Class upon the academy's departure, making it immediately available for use by interested parties. The landlord is also applying for F1 non-residential provisions (formerly D1) with the local authority, allowing the property to be used for F1 purposes upon approval. All related documents are available upon request.
