Description

This attractive new bungalow is situated in the Hampshire village of Monk Sherborne and offers well-planned accommodation designed for modern living.

The property provides two bedrooms, both with en-suite facilities, together with a Shaker-style kitchen with built-in appliances and a spacious living/dining room. Further benefits include underfloor heating, sealed double-glazed windows, a private garden and off-street parking.

Daisy Cottage is a newly built bungalow offering well-planned and contemporary accommodation, with the layout designed to provide comfortable and practical living on a single level.

The property is entered through an entrance hall, which provides access to the principal accommodation. There is also a useful cloakroom, conveniently positioned for guests and everyday use.

The Shaker-style kitchen provides an attractive and practical space, incorporating a range of built-in appliances. The kitchen leads through to the living/dining room, which provides a versatile area for both relaxing and dining and forms the main living space within the property.

There are two bedrooms, both of which benefit from their own en-suite facilities. This provides an excellent degree of privacy and convenience and makes the accommodation particularly suitable for couples, guests or those looking for flexible living arrangements.

The bungalow benefits from underfloor heating, providing an even and comfortable warmth throughout the accommodation, together with sealed double-glazed windows as part of its modern specification.

Outside, Daisy Cottage has a private garden which provides a pleasant area for outdoor seating, entertaining or simply enjoying the garden. Off-street parking adds further practicality.
