GLOUCESTER STREET, SW1V

£500,000

SHARE OF FREEHOLD

Tall sash windows and an impressive reception ceiling give this second floor one bedroom apartment the proportions and character associated with Pimlico's period buildings. Extending to approximately 480 sq ft, it combines a bright principal living room with a separate bedroom positioned towards the rear.

The reception accommodates seating and dining beneath its high ceiling, while a fitted kitchen with a peninsula defines the cooking space without closing it off. The double bedroom benefits from fitted wardrobes, and a bathroom with a shower over the bath completes a practical layout. Traditional details and a contemporary kitchen arrangement sit comfortably together.

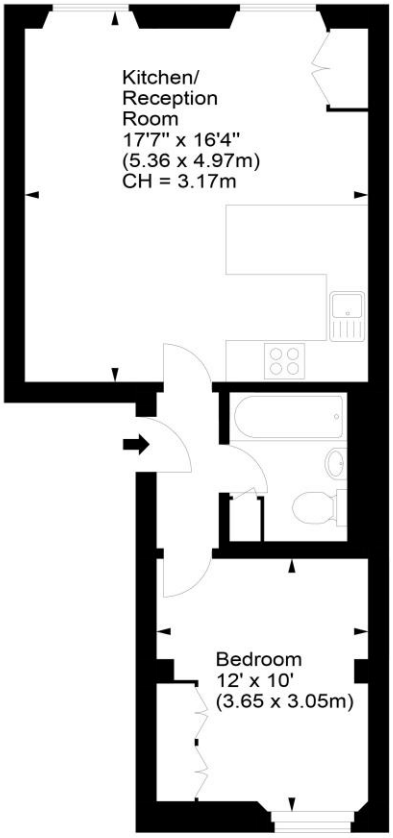

Gloucester Street lies among the stucco terraces of the Pimlico Grid, conveniently close to the independent cafés and businesses around Churton Street and Warwick Way. Both Pimlico and Victoria stations are accessible, with Victoria also offering mainline rail connections.
