for every step...

Arranged over the raised and lower ground floors, this beautifully presented home offers generous proportions and contemporary finishes throughout. The raised ground floor features a double reception room with high ceilings and large bay window, providing a wonderfully light and airy space. To the rear, the modern, fully fitted kitchen provides direct access to the private Westerly-facing garden.

Downstairs are three well-proportioned double bedrooms, each with built-in wardrobes, and two contemporary bathrooms, including a stylish en-suite to the primary bedroom. The property further benefits from a utility room with washing machine, dryer, and useful additional storage.

This superb apartment also offers the rare addition of a separate garden room, providing the ideal space for a home office, creative studio or additional reception area.

Available from December on an unfurnished basis, this property would make an ideal family home.

Located moments from the shops, cafes and transport links of High Street Kensington, Earls Court and Gloucester Road.
