| <b>HMO Compliance Health Check – opt in</b><br>Where your Property is licensed as a House in Multiple Occupation (HMO) under the Housing Act 2004 or any applicable local authority scheme, we will, upon your instruction, carry out a compliance review of the Property in preparation for a local authority inspection. This will include reviewing the current HMO licence conditions, checking the status of all required safety certifications (including fire safety, gas safety, electrical safety and emergency lighting where applicable), and advising you on any remedial action required prior to inspection including upcoming expiry dates. Any works identified as necessary will be arranged at your expense.<br><br><b>This service is administrative in nature and does not constitute a full compliance audit or transfer of legal responsibility. You remain responsible for ensuring the Property complies with all HMO licensing conditions and statutory requirements.</b><br>Where we are named as licence holder, this service forms part of our administrative management of licence conditions. Legal responsibility for funding, completing, and maintaining compliance with all HMO requirements remains with you unless expressly agreed otherwise in writing. | Included within Management Service (Unless we are instructed on a property already occupied as an HMO) | £60 inc. VAT          |

Please note that where our Summary of Service states “Landlord responsibility” we may be able to assist you for an additional fee which will be based on our “Additional Work” terms stated in the above Our Services and Fees Sheet.

**We can provide you separately with costs at your request for the following, all of which are conducted by independent professional contractors:**

- Energy Performance Certificate
