DESCRIPTION

A beautifully presented terrace home on the ever-popular "Village" development with painted rendered elevations under a tiled roof and accommodation over two floors. The layout can be seen in the floorplan but of particular note is the kitchen/breakfast room with modern units, a light lantern over the breakfast area and this opens out to an lovely and bright, extended garden room which is the perfect place to unwind. The sitting room has a pleasant outlook through a bay window to the front of the house and has a feature fireplace. From the dining room, stairs rise to the first floor landing, off which are doors to four bedrooms and a family bathroom. Two of the bedrooms have their own en suite facilities. Outside, the house is approached by a path to the front door. To the right of the house is the drive which goes through an arch and leads to the rear where there is ample parking and a large detached double garage under a green roof. Accessed from the breakfast room is a terrace which is an ideal spot for your morning coffee! Very rarely do these houses in such pretty decorative order come to the market and an internal inspection is strongly recommended.
