PARK ROAD BANSTEAD, SURREY, SM7

Having been well maintained over time by the owners, this attractive property now combines charm and character with superb family accommodation in a much sought-after location.

The ground floor briefly comprises; a covered entrance, a hallway leading into the main reception room which affords a wonderful view of the garden, a fireplace and door opening onto the patio, an adjacent kitchen/breakfast room, a separate dining room, a third reception room which is currently used as a large study, and a downstairs cloakroom.

Upstairs continues to impress, with four bedrooms and two bathrooms. The principal bedroom benefits from fitted wardrobes and an ensuite shower room. The second bedroom also offers scope to utilise the current eaves storage space to create a dressing room and ensuite, and therefore become a larger main bedroom. The two smaller bedrooms have a wonderful view of the rear garden, and are served by the main family bathroom.

The fabulous rear garden is an impressive 225 feet in length, with a southerly aspect, a good patio area, a summer house, large lawned areas, a model railway, and mature hedge borders. The garden is surrounded by wooded areas and open fields beyond. To the front, the block paved off street parking areas provide ample space for several cars, and access to the double garage. There are two small lawned areas either side of the path to the front door, with a selection of shrub borders.

All in all a superb house, in a very sought-after location which needs to be viewed to be appreciated.
