Winkworth

for every step...

This charming and elegant home is coming to market for the first time in over 40 years. Blending period character with generous proportions, it offers a rare opportunity for the next owner to make it their own. Extending to 2,228 sq. ft., the house is entered via the raised ground floor, where the hall leads to interconnecting reception rooms and a versatile study or music room. At garden level, the kitchen sits to the front, with the dining room positioned behind. From here, double doors open into a bright conservatory, which connects to a utility room and on to the garden. The first-floor has three bedrooms and a family bathroom, while the second floor is dedicated to the principal bedroom with its own ensuite bathroom. Original period features, including marble fireplaces, decorative cornicing, ceiling roses, and sash windows, remain beautifully preserved throughout.

Talbot Road runs east to west through Notting Hill, parallel and to the north of Westbourne Grove, and the property is located just to the east of Ledbury Road and forms part of the “Artesian Village” with some of Notting Hill’s most popular boutiques, bars and restaurants just moments away. There are numerous transport options within easy access to the tube and road networks. The Heathrow Express and Elizabeth Line are located a short distance away at Paddington Station.
