DESCRIPTION:

A fine example of 1930's architecture, this house has been sympathetically extended to provide a fantastic family home finished to an exacting standard. With light and airy accommodation comprising a welcoming entrance hall, a front aspect lounge with original style Parquet flooring and a feature fireplace, the stunning open plan kitchen/family room is the heart of the home with French doors leading to the lovely well-established, westerly aspect rear garden with a useful side return to the front. The front garden is particularly pretty with a range of mature plants and shrubs plus an electric charger point. There is scope to remove and pave over for off street parking if required but parking is easy on this delightful road. The first floor comprises two good double bedrooms and a large modern bathroom plus bedroom three which is currently in use as a study. The main bedroom on the second floor is the perfect calm space for the adults with built-in wardrobes and further storage plus a bespoke en-suite bathroom. There is a useful WC to the ground floor.

Riverside Walk is ideally positioned opposite the banks of the Duke of Northumberland River and for a host of excellent local schools and nurseries. Residents of Riverside Walk enjoy the use of The Woodlands Park <https://www.werfa.org.uk/>. Isleworth train station (Zone 4) with its direct train every 15 minutes into London, Waterloo is moments away for the smart commuter and there are good bus routes into Richmond close by.

An internal inspection is strongly recommended to appreciate the size and finish of this house.
