Offering an impressive 157 square metres (1,700 square feet) of accommodation, this property is ideal for families seeking space, comfort, and modern convenience in a well-connected village setting.

The house has been thoughtfully designed to provide flexible and functional living, with five generous bedrooms, two of which benefit from en-suite shower rooms. A separate study adds to the versatility of the home, making it perfect for those working from home or additional accommodation for growing families. The master suite is particularly impressive, featuring a stylish en-suite shower room and a walk-in wardrobe.

At the heart of the home lies a brand new contemporary kitchen, installed in 2023, which has been finished to a high standard. It includes integrated Bosch appliances—a twin oven, gas hob, extractor fan, and dishwasher—and offers ample cupboard and preparation space. This is complemented by a vast dual-aspect sitting and dining room, flooded with natural light from windows at both ends of the room. .

The ground floor also offers a welcoming entrance hall, a convenient cloakroom/WC, and access to the integral **double** garage, which is equipped with light, power, and an electric

door. The garage and adjacent driveway provide extensive parking, easily accommodating four to five vehicles.

Upstairs, in addition to the five bedrooms and en-suites, there is a well-appointed family bathroom complete with a bath and separate shower cubicle. The home is heated by mains gas central heating, served by a new boiler installed in 2023, and is fully double glazed with modern uPVC windows.

Outside, the property enjoys a generous and level south-facing garden that wraps around the rear and side of the property. Outside, the property provides a low maintenance space ideal for family life, and al fresco dining, with scope for further landscaping or even extending the home, subject to the necessary consents.
