HEWER STREET, W10

Behind a charming exterior, this thoughtfully designed home on Hewer Street opens into an inviting entrance hall, lined with classic tongue-and-groove panelling. Upstairs, the heart of the home reveals a striking blend of industrial character and organic softness. A vaulted glass roof floods the open-plan living space with natural light, creating an uplifting atmosphere ideal for both entertaining and everyday living.

At one end, a porthole window adds a unique touch to the contemporary kitchen, where marble countertops and teal tiles bring style and vibrancy. Blonde timber floors lead to a cosy lounge area, defined by an exposed chimney breast that adds warmth to the clean-lined aesthetic. Sliding glass doors extend the space onto a private decked terrace – a peaceful setting for outdoor dining or relaxation.

Downstairs, a red brick feature wall and overhead skylight illuminate the stairwell, guiding you to the home's sleeping quarters. The principal bedroom exudes calm with a minimalist palette, anchored by a striking black fireplace. A flexible dressing room or private study connects to a stylish en suite bathroom with a bathtub. Two additional bedrooms on this level are finished with painted brickwork and served by a contemporary shower room featuring cream mosaic and light blue metro tiles.

Located in the heart of North Kensington, this home is set within a neighbourhood known for its strong sense of community and rich character. Tree-lined streets and period architecture are paired with an array of independent cafés, local shops, and green spaces, offering an ideal balance of tranquillity and urban convenience.

Just 10 minutes away, Golborne Road invites with its eclectic charm – stop by Layla's for coffee and pastries or enjoy a laid-back lunch at Pizza East. Explore the antique shops dotted along the street or unwind in nearby Little Wormwood Scrubs. For a more extensive retail experience, The Village at Westfield Shopping Centre is close by, featuring a selection of luxury brands. Excellent transport links also place central London's cultural institutions – from theatres to galleries – within easy reach.
