DESCRIPTION:

Set on the ground floor of a striking Grade II listed Victorian building in sought-after E10, this spacious two-bedroom apartment blends generous proportions with a wealth of original character and a secure entrance.

Forming part of the former Technical Institute, the building is admired for its impressive architecture and well-kept communal areas. Inside, the home retains notable period features including high ceilings, sash windows and decorative panelling, all complemented by a bright, well-balanced layout.

You enter directly into the reception room, a light-filled living and dining space enhanced by large sash windows and impressive ceiling height. The separate kitchen sits just off the living area and is fitted with shaker-style units, timber worktops and integrated appliances, offering both style and practicality.

There are two well-proportioned double bedrooms, one benefitting from its own en suite bathroom, while a second contemporary bathroom serves the rest of the apartment.

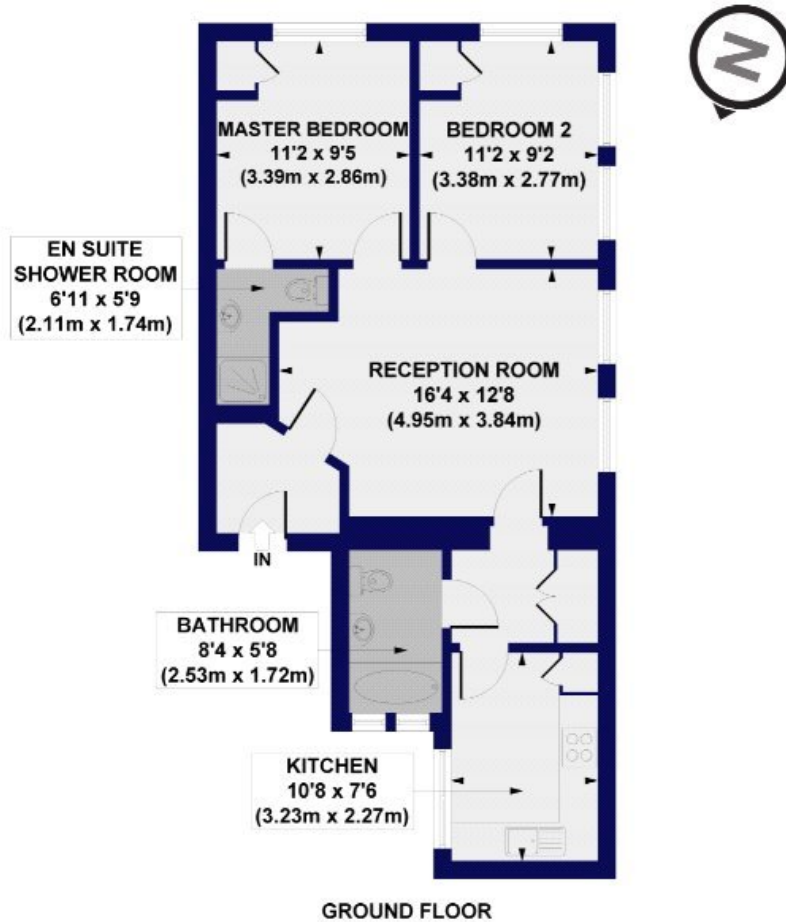

Perfectly positioned in the heart of Leyton, you're moments from the High Road, a short walk to the independent cafés and shops of Francis Road, and a short walk from Leyton Underground station on the central line. Green spaces including Coronation Gardens, Hackney Marshes and the Olympic Park are also within walking distance.
