DESCRIPTION:

The homes at Hinton Mill Farm have open plan kitchen, living & dining spaces perfect for modern living. They include high specification Porcelanosa kitchens with integrated appliances and stone worktops. Utility rooms to all homes provide essential storage and allow the generous open plan spaces to remain sleek and uncluttered.

Underfloor heating with high quality wood effect floor to the ground floor or plush high pile carpet throughout upper floors (with radiators) echoes the quality and all homes benefit from either large French doors or bi-fold doors to the gardens which are laid to lawn with patios perfect for al fresco dining.

Principal bedrooms to all homes include sleek modern en suites with ample space for free standing storage; with additional bedrooms plenty large enough for twin or double arrangements. With Porcelanosa tiling and fittings, the bathrooms are a subtle reminder of the quality on offer here at Hinton Mill Farm.

All homes include two parking spaces, some with private driveway.

LOCATION:

Situated in a hamlet of only a handful of homes, Hinton Parva feels rural and remote, in the best way. In reality, at only 3.5 miles from Wimborne Town Centre, there is a wealth of amenities available; plus, with fibre optic high-speed internet on site, you can be as connected as you want to be.

Offering a number of high street and independent brands for both shopping and eating out there is something for everyone. The Tivoli Theatre and Model Village make for wonderful recreational activities.

A Waitrose means you rarely have to venture further than the town, unless you are drawn to visit one of the many historic sites nearby, including Kingston Lacey, Badbury Rings and the award-winning beaches of Bournemouth & Poole, to name just a few.

DIRECTIONS:

From Wimborne, proceed north on the B3078 Cranborne Road for about 4 miles through the hamlet of Stanbridge, and turn left signposted Hinton Parva. Proceed down the no through lane, and Hinton Mill Farm can be found on the left hand side.
