“Before embarking on her career in agency, Lori was a golf professional for many years following a successful amateur career playing at both county and international level. She started in agency in 2004 and has always worked in Bournemouth and the surrounding areas.

While working at her previous agency, she met James where they forged a firm friendship. Their passion to change the way people perceive estate agents, led them to joining forces and purchasing the Winkworth Southbourne franchise together. Lori has always lived in Southbourne and is very passionate about the area. Her children Zak and Kitty attended the local St James primary school. Both her children are now adults so in her spare time she enjoys travelling and big family get togethers when her youngest is home from university.”
