DESCRIPTION

Behind its industrial exterior lies a generously proportioned interior that has already undergone significant residential adaptations. The current layout offers flexible living accommodation, with scope for further improvement or reconfiguration to suit a variety of lifestyles or multi-generational living. Expansive open-plan areas, high ceilings, and large windows provide an abundance of natural light throughout, while original features hint at the building’s past.

Set on a substantial plot, the property also benefits from ample outdoor space, including private parking and garden potential. Its position within the village ensures easy access to local amenities, schools, and transport links, while still enjoying a sense of privacy and individuality not often found in more conventional homes.
