The ground floor opens into a welcoming entrance hallway, leading to a comfortable reception room and a flexible additional room that can serve as a bedroom, home office or study, complete with its own ensuite shower room—ideal for guests, multigenerational living or working from home. At the heart of the home is a spacious open-plan living, dining and kitchen area, designed for both everyday family life and entertaining. The kitchen incorporates a practical utility area, while the adjoining sunroom/conservatory extends the living space and provides direct access to the rear garden. Upstairs, the first floor comprises four bedrooms, including two doubles and two singles, together with a family bathroom. To the front, the property benefits from a private driveway providing off-street parking for two vehicles, enhanced by beautifully presented flowers and a generous flower bed framing the entrance.
