DESCRIPTION:

Situated in the heart of Spitalfields and nestled between Aldgate and Liverpool Street here is a magnificent two double bedroom apartment in this popular warehouse conversion in the City. In a previous life this building was a button and sequin factory, it was converted into flats in 1998 and as with the majority of warehouse conversions it offers space, high ceilings and lots of light.

The apartment is situated on the 3rd floor, there is lift access as well as a lovely staircase with huge windows. You also have the benefit of a daytime concierge.

Spanning over 617sqft, as you enter the flat to be greeted with the hallway with storage cupboard, the bathroom with large walk-in shower, master bedroom and a further second double bedroom, both with plentiful storage and floor to ceiling windows, leading off the end of the hallway you enter the living space which features floor to ceiling windows flooding the property with natural light. The well-proportioned living room opens out onto a private south-facing balcony which runs the length of the property and offers amazing views of the city skyline. Off the living area you have the kitchen, which is fully fitted with built in appliances. The flat is finished to an immaculate standard throughout having been comprehensively refurbished by its current owner to include oak flooring, underfloor heating and smart lighting.
