DESCRIPTION:

As you step inside the entrance hall, you're greeted by the warm wooden floorboards which run through the ground floor (except the kitchen), and offer access to both main reception rooms. The sitting room has a window to the front aspect and a feature fireplace which serves as a focal point, with wooden double doors through to the dining room. The dining room has fitted shelves and storage either side of the chimney breast, understairs cupboard, and a single window overlooking the garden. An archway provides access to the kitchen comprising a range of units, space for fridge/freezer, washing machine and oven, and door to the rear garden.

Upstairs on the first floor, there are two generously sized double bedrooms with plenty of natural light and feature fireplaces. The family bathroom has a bath, sink and WC. The stairs continue to a second floor where you will find a third double bedroom with Velux style windows.

Outside, the garden is mainly laid to lawn with mature shrubs and trees, and is partially surrounded by wooden panel fencing (which is in need of repair or replacement in sections). There is a generous patio area outside the rear door, and a gate gives access to the front of the property. The property does not have off road parking but on road parking is available in the road.
