DESCRIPTION:

We are delighted to offer this magnificent 5 bedroom semi detached family home with 3 bedrooms and 2 bathrooms on the 1st floor and 2 additional bedrooms (or living rooms) on the ground floor excluding the main living room which is 27' x 24'. A fabulous open plan, contemporary space. There is also a truly top class shower room.

Sanderstead Avenue is located off The Vale and is a quiet, residential street with wide fronted 2 storey houses. It is common for one or both of the ground floor secondary rooms to be used as additional living rooms thus offering maximum flexibility.

The main living room which is approximately 27' x 24' is a huge open plan living space, kitchen and dining area with feature full height and with bi fold doors and roof skylights to bring in additional natural daylight.

In addition, off the living room is a fully equipped utility room with access to the rear garden/ side passageway. On the 1st floor all 3 bedrooms are double in size with the principle bedroom suite being exceptional in terms of space and daylight with a sumptuous ensuite. The additional 1st floor bathroom is also of a very high standard.

Externally to the rear of the house is a mature, delightful West facing garden with a raised deck area – a real suntrap!

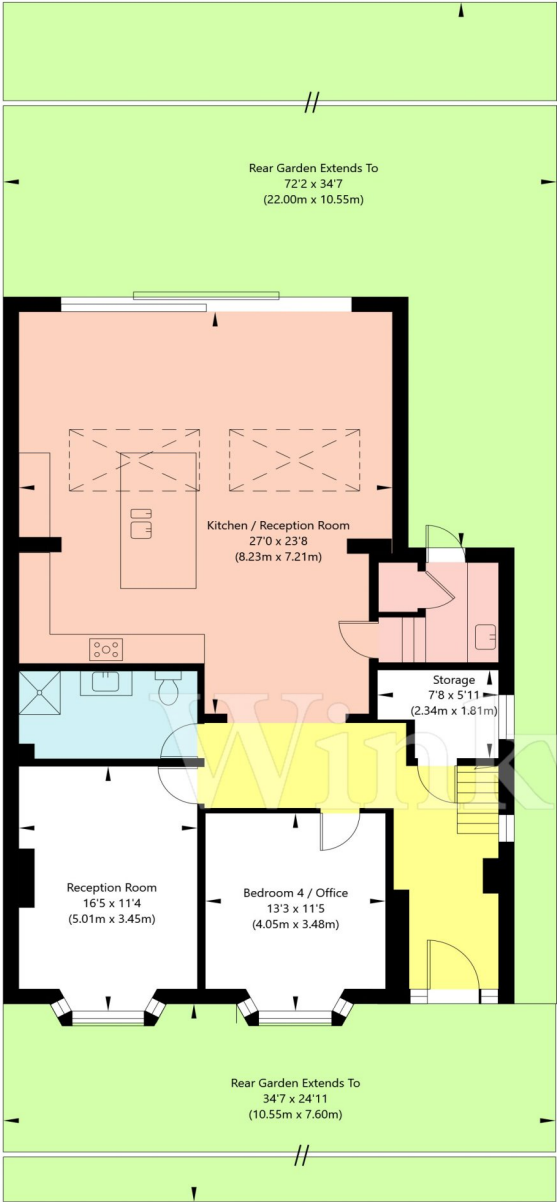

To the front of the house is a wide, block paved driveway however please note, at this juncture there is no dropped kerb. We understand the current owners had previously applied and had permission to create a dropped kerb but this was not done and has subsequently lapsed (2023). If desired a new permission would have to be obtained.

Overall this is a truly wonderful, contemporary house with a magnificent amount of flexible living space full of light and with spacious rooms.

Viewing is highly recommended.
