## DESCRIPTION:

This well-presented one-bedroom flat is located on the 5th floor of Friesian House on Buckhurst Street, part of a modern development built just 8 years ago. Offering 594 sq ft of well-planned living space, it combines style, practicality, and an unbeatable location.

The flat features a spacious open-plan kitchen and living area, ideal for both relaxing and entertaining. The kitchen is fully integrated with a clean, modern design. The double bedroom is a good size and opens directly onto a private balcony, offering a lovely spot for fresh air or a morning coffee.

As you enter the property, you're welcomed by two unusually large storage cupboards, providing plenty of space for coats, cleaning items, or even a bike. The building also benefits from a secure entry system, dedicated bike storage, and a communal roof terrace with great views — perfect for unwinding or socialising outdoors.

One of the standout features of this flat is its fantastic transport links. It's just a short walk to Bethnal Green Underground (Central Line), Bethnal Green Overground, and Whitechapel Station, which now includes the Elizabeth Line. This makes commuting into the City, Canary Wharf, and the West End incredibly quick and convenient, while also providing easy access to Heathrow Airport and beyond.

With excellent local transport and all the amenities of East London on your doorstep, this 594 sqft flat is an ideal choice for first-time buyers, young professionals, or investors alike.

The property is also offered chain-free.
