Description

This spacious five bedroom detached house was built in 2021 and has been occupied by the owners since then – this is the first time it has been offered for rent.

It has a good position on the edge of this modern development and has a stylish interior with a light décor enhancing the sense of space. It is an ideal family home.

The house has a wide central hallway. Off to the right is the living room, which has a deep bay window. To the left is the study and straight ahead is the very attractive kitchen/dining/family room – a sociable open plan space that stretches right across the rear of the house.

The kitchen area has been fitted with white high gloss finish units with soft close cupboards and drawers, complemented by marble work surfaces. There is an inset 1½ bowl sink and an inset induction hob with hood. Further integrated appliances include an oven and grill, dishwasher and fridge/freezer.

The utility room has been fitted to match the kitchen and has an integrated microwave and washing machine.

Completing the ground floor is the downstairs cloakroom.

Heading up to the first floor, there are four double bedrooms (with an en-suite to bedroom two) and the family bathroom.

Heading up again to the top floor is the stunning main bedroom that offers tremendous space and has a large en-suite shower room.

Externally, there is a large south facing garden to the rear, which has paved terraces and a good size lawn. There is also an outside tap and power point.

To the side is a double width garage and a driveway with parking for four cars. It also has an electric vehicle charging point.
