DESCRIPTION

The ground floor provides excellent living space, featuring a well-proportioned kitchen positioned to the rear of the property with direct access to the garden, ideal for everyday family life and entertaining. There is a through reception and dining area, as well as a flexible use room – ideal as ground floor guest bedroom or office. A guest WC is also located under the staircase. The layout lends itself well to reconfiguration, subject to requirements, allowing a new owner to personalise the space.

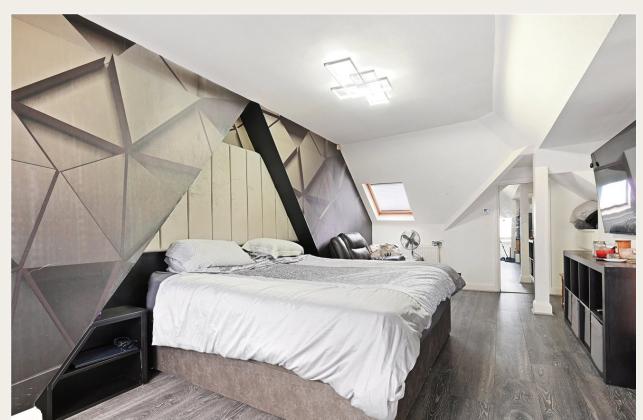

On the first floor, the property offers four well-sized bedrooms and family bathroom arranged around a central landing. The principle bedroom is also served by an en-suite shower room.

The top floor is a converted loft space, and provides an additional large double bedroom with walk-in wardrobe and its shower room off the landing.

The property benefits from a spacious low maintenance garden. The south-west facing direction means it is a great sun trap. Set within the garden is a detached summer house, perfect for use as a studio, workspace, or gym.

Finally, gated off-street parking comfortably allows for 5 cars, in addition to the garage.

Overall, the house is ready for a new owners to add their own style to, making it an excellent opportunity for those seeking a long-term home with scope to enhance and add value.
