DESCRIPTION:

This is a desirable 2 bedroom terraced property in a quiet road on this popular Homersham development close to the South of Canterbury within walking distance of the City Centre.

This desirable property has just been re decorated throughout and new carpets fitted, so it feels nice and fresh. Downstairs is a modern kitchen with fitted appliances and a separate living area leading to the garden. On the first floor there are two bedrooms and a family bathroom. There is a pretty established garden which then leads to the garage beyond. Close by are local amenities and shops, and within walking distance is Canterbury City Centre with its vast array of shops, restaurants and bars, as well as The Marlowe Theatre and sports centres. The property is close to the Universities, Canterbury East and West train stations. The property is available now and would be ideal for a professional couple or young family.

This floorplan is for illustration purposes only and is not to scale. The position and size of doors, windows, appliances and other features are approximate.
