Owners Comments - Mum loved her Dartmouth flat. No stairs and being on the ground floor and with a sunny patio and small garden to attend, it gave her the time to enjoy Dartmouth and her Dartmouth friends. The town was only a 10-minute walk for her, and this ensured she could meet her pals for coffees, lunches and anything social that took her fancy. (I believe this kept her fit as well)

If the sun was shining, the sitting room and her bedroom were bathed in it, and I believe this kept her spirits up. Having lovely neighbours above and to the left of her made her feel safe and secure.
