DESCRIPTION

The welcoming entrance hallway leads into a generous reception room, creating an elegant and comfortable setting, while the adjoining dining and family area offers excellent flexibility for formal dining, family gatherings or everyday living. The kitchen provides a practical heart to the home, with scope for a future owner to introduce a stylish contemporary design tailored to their requirements.

Upstairs, three well-proportioned bedrooms provide versatile accommodation for family, guests or home working. The principal bedroom offers excellent space for a substantial bed and extensive storage, while the second bedroom is equally adaptable as a guest room or children's bedroom. The third bedroom provides further flexibility as a bedroom, nursery, study or dressing room. A family bathroom completes the first-floor accommodation and offers scope for a modern, high-specification refurbishment.

Outside, the property benefits from private outdoor space, while the existing extension significantly enhances the overall living accommodation. There is also excellent potential for further extension, subject to the necessary planning permissions and consents (STPP), providing an exciting opportunity for a purchaser to further increase the property's footprint and create a truly bespoke family home.
