It is connected to mains electricity and water, and has oil fired central heating and UPVC double glazing. The pair of cottages share a private drainage system, the septic tank for which is located in the garden of number 2. The gravel drive provides off road parking, and the delightful garden studio/office benefits from a useful en suite shower room.

An attractive gabled entrance porch leads to a front lobby with a tiled floor, off of which is a ground floor cloakroom.

The charming living room has a natural brick feature wall, a log burner, oak flooring, and powder-coated aluminium double glazed French doors to the rear garden. The separate dining room also has oak flooring, and bi-fold doors to a raised timber sun deck (with pergola over.)

The kitchen features handmade and hand-painted Shaker style oak units, solid beech worktops, Belfast sink, integrated fridge-freezer, dishwasher, Neff (Calor) gas hob, extractor and Neff electric oven. A stable door leads to a rear utility/boot room with space for washing machine and tumble dryer, double glazed door to outside, and an integral boiler room (with Grant oil fired central heating boiler and a water softener).

From the hall, stairs lead to a spacious first floor landing/study area from which there is access via retractable ladder to a fully boarded and insulated attic with 2 skylights, lighting and power points.

Bedroom 1 has a dual aspect, fitted wardrobes and a fireplace, and bedroom 2 has fitted wardrobes. There is a bath/shower room with twin-ended bath, walk-in shower, WC, wash basin, towel radiator and tiled floor.

A gravel driveway with brick edgings provides ample off road parking and is flanked by a lawn and a beautifully stocked, deep herbaceous border. There is a low brick garden wall boundary to the front.

A side gate gives access to the delightful south facing rear garden. Adjacent to the house is a courtyard area with a garden store housing a hot water cylinder for the en suite in the garden studio. The studio has a vaulted ceiling, oak beams, 2 double glazed sliding patio doors, 2 conservation rooflights and an en suite with shower, wash basin and WC.

There is a raised garden area with central steps to a lower level with a lawn, a pergola with climbing roses, and established hedges. To the side of the garden store is the oil storage tank and a useful garden storage area. There is a post-and-rope boundary with the adjacent semi-detached cottage.
