DESCRIPTION:

This attractive five bedroom Victorian house spans in excess of 2300sqft and is located in a peaceful, treelined, no-through road near Clissold Park. The property has been tastefully upgraded and extended by the current owners and offers flexible living accommodation across three full floors with an additional room and extra storage in the lower ground level. The ground floor provides a generous double reception room which is flooded in natural light through the bay window to the front. Original cornicing and fireplace compliment the room beautifully as does solid wooden flooring. A wonderful side return has been created to the rear which opens up the space perfectly to provide a social and light kitchen which leads to a low maintenance landscaped rear garden.

The master bedroom is located on the first floor with good sized double bedroom to the rear and sizeable family bathroom with roll top bath and separate shower on the half landing.

A further three bedrooms are located on the second floor alongside the shower room and access to a secluded private roof terrace. The attic space is currently undeveloped but has the potential to create further living space STPP.

Digby Crescent is renowned as a neighbourly and family friendly street and is perfectly situated for the amenities of the prestigious Highbury Barn and Blackstock Road. The green open spaces of Clissold Park and the Woodberry Down Wetlands Nature Reserve are just a short distance away, and the bars, restaurants and boutiques of the vibrant Stoke Newington Church Street are also close by.

Transport Links are well serviced with Arsenal (Piccadilly Line) and Finsbury Park (Victoria and Piccadilly Line and National Rail direct to Moorgate) both within easy reach. There are also several great bus links taking you into the City and West End.
