DESCRIPTION

This well maintained three bedroom family home offers a great opportunity for buyers, especially those looking to modernise and extend to add extra space (STPP).

Internally, the accommodation is well-proportioned and currently comprises of a through reception and dining area, with kitchen to the rear. Upstairs, there are three bedrooms and a three piece bathroom suite. The property has been well maintained by its current owners, but it would benefit from being updated throughout.

As the property is directly south facing, the garden is a lovely sun trap.

The property has further potential to extend both on the ground floor rear, and into the loft space (STPP), similar to other properties on the road. This will significantly increase square footage and therefore value too.

The property further benefits from off street parking and no upper-chain.

LOCATION

Whitmore Gardens offers a fantastic location, with the vibrant amenities of both College Road and Chamberlayne Road just steps away. Enjoy local favourites, such as your morning coffee at L'Anglo's Deli, lunch at The Chamberlayne or Island Pub, or a quick shop at The Kensal Store. Transport links are excellent, with the Bakerloo Line at Kensal Green and the London Overground at Kensal Rise both within easy reach, providing swift access to Central London and beyond.

For recreation, the green expanses of Queen's Park are less than a quarter mile away, perfect for family strolls or picnics. Families will also appreciate the proximity to College Green Nursery and being in the catchment area for highly regarded schools like Ark Franklin and Princess Frederica's. This home and location offers a unique combination of tranquillity, community, and convenience in one of London's most desirable neighbourhoods.
