DESCRIPTION

This beautifully presented flat has been finished to an exceptional standard throughout and offers potential for further development/extension, with the loft space already being demised.

The property features a spacious, full-width reception and dining room at the front, with sash bay window flooding the space with natural light. Original stripped wooden floors add warmth and character. Both bedrooms are generous doubles, located at opposite ends of the flat, each benefiting from floor to ceiling built in storage. Located to the middle of the flat, the modern kitchen offers ample storage and attractive wooden countertops.

The bathroom is fully tiled three piece suite, with high quality fittings, including a rain shower head

Occupying 732 sq ft, the flat also benefits from new double glazing and a recently installed boiler.

There is considerable scope to add value and space, as seen in similar properties along the road which have extended into the loft to create additional bedrooms, bathrooms, and even roof terraces (STPP).

Viewing comes highly recommended.
