## Attractive Townhouse Close to City Centre and Mainline Rail Station

An attractive townhouse of generous proportions in close proximity to the city centre and railway station. The property has an abundance of natural light which is complemented by the stylish, contemporary décor, with new carpets throughout, underfloor heating in the hallway and a built-in water softener that benefits the whole house.

The house is entered via the covered porch into the welcoming hallway, which gives access to all the downstairs accommodation. The heart of the house is the inviting kitchen/dining room with double doors out to the garden. This immensely appealing and bright space is beautifully presented with a stunning brick slip feature wall and built-in seating area. The kitchen itself is well appointed with integrated appliances including Bosch induction hob and dishwasher and Neff double oven.

To the front of the property is the generous study with lovely views over the gardens. Two built-in cupboards in the hallway provide a good deal of storage, including a utility cupboard with space and plumbing for a washing machine. A useful downstairs WC completes the accommodation on this level.

Stairs rise to the first floor where there is a spacious sitting room which stretches the width of the house. To the rear is the principal bedroom, again a generous size, with a superb amount of integrated storage and a smart en-suite shower room. Custom made shutters and blackout blinds are an excellent addition. The second floor has two further good-sized bedrooms. Bedroom two to the front benefits from two built-in wardrobes and both rooms are served by a contemporary family bathroom.

Outside to the front of the property there are beautifully maintained communal gardens and ample visitors parking, and permit parking is also available in the surrounding roads. A garage is located in a separate block within the development. To the rear the low-maintenance garden is fully decked with mature acer shrubs in shingle beds. A gate provides access to the rear.
