## DESCRIPTION:

This wonderful home over 2,000 sq.ft of accommodation and has been tastefully enhanced by the current owners while retaining its period charm.

On the ground floor, there is a large L-shape family room leading to traditional shaker-style kitchen and a second front reception room which currently serves as a study. Upstairs, the first floor has been reconfigured to provide a well-thought-out layout. A second double bedroom benefits from its own newly added en suite shower room, ideal for guests or older children. The second floor offers three further bedrooms, two of which are well proportioned doubles, and an additional bathroom, providing ample space for a growing family or home working needs.

The current owners have also undertaken a number of significant improvements, including the installation of new double-glazed timber sash windows with plantation shutters, new heating and hot water systems with new radiators and expensive external works including upgrades to the roof and the addition of a good-sized, insulated and boarded loft that offers excellent storage or future potential, subject to the usual consents.

To the rear and with side access, is a landscaped 90ft south facing garden with patio, lawn, flower beds, shed and children's play area. (play frame could be negotiated as part of the sale). There is a pretty garden and off street parking for two cars to the front.
