DESCRIPTION

This three-bedroom semi-detached family home presents a fantastic opportunity for purchasers looking to modernise and create a property to their own specification. Requiring refurbishment throughout, the house offers well-proportioned accommodation, a substantial rear garden and excellent potential for extension, subject to the usual planning consents.

The ground floor comprises a welcoming entrance hall, a separate front living room with bay window and a generous dining/family room to the rear, providing direct access onto the garden. There is also a separate kitchen, which offers scope to redesign or potentially incorporate into a larger open-plan living space, subject to the necessary permissions.

Upstairs, the property provides two particularly good-sized double bedrooms, a third bedroom and family bathroom. The existing layout offers an excellent starting point for buyers keen to undertake a comprehensive renovation and create a long-term family home.

Outside, the rear garden extends to approximately 75ft and offers considerable potential for landscaping and entertaining. A detached garage provides useful additional storage, whilst the property may offer scope for both rear and loft extensions, subject to planning permission.

The location is particularly convenient, positioned between Cheam and Morden with a wide selection of shops, amenities and schools within easy reach. Numerous bus routes provide connections towards Morden Underground Station for the Northern line, whilst nearby Cheam and Worcester Park stations offer rail services into London.
