DESCRIPTION

This lovely flat offers flexibility on layout due to its overall size, offering either two or three bedrooms, with an extended kitchen and dining area to the rear.

To the front of the flat is a lovely and spacious bedroom with bay window and feature fire place. There are two further double bedrooms located to the middle of the flat. The main bathroom is a tiled three piece suite with window for natural light and ventilation.

To the rear of the flat, it has been extended, and is now a kitchen and dining area with snug. Bi-folding doors open up to a completely private garden. The garden is completely paved for ease of maintenance, and with a south facing direction, it is a great

suntrap. This is a wonderful entertaining space and allows for a new owner to create their own tranquil space. The property also has potential to extend further in to the side return area (STPP) similar to others in the road.

As above, the flat has a few (but not limited to) options in terms of layout:

- Formal reception room to the front, with two bedrooms to the middle and kitchen diner to rear.
- Three bedrooms with smaller open plan arrangement to the rear (current layout).
- Two bedrooms to front of the flat, with third bedroom opened up to make a much larger/longer open plan area.

Viewing of this property comes highly recommended.

LOCATION

Buchanan Gardens is a stone's throw from the popular independent high street, College Road, with its array of shops, delis, coffee shops and the Island GastroPub. This location also serves well for Kensal Rise Station and Kensal Green Station, which are less than a 1/4 mile from the front door meaning easy access to both branches of the London Overground and the Bakerloo line at Kensal Green.

Buchanan Gardens is also in the catchment for many great local schools.
