To the rear, a striking open-plan kitchen/dining/family room provides the heart of the home, designed in a bold navy-blue palette and complemented by premium appliances and a large central island. This space opens directly onto the patioed garden, creating a seamless flow for entertaining and family living whilst remaining low maintenance and comes with garden furniture. The ground floor also benefits from a guest W/C. Downstairs, the cellar has been converted into a practical utility room, providing additional storage and functionality. On the first floor, the spacious principal bedroom sits peacefully at the rear of the house and features a luxurious en-suite bathroom.
