OUTSTANDING CONTEMPORARY RESIDENCE

The Cottage is a beautiful family home in the popular Test Valley village of Awbridge, surrounded by beautiful countryside, ideal for walking, cycling, and riding. Originally comprised a small collection of hamlets and now offers a delightful community spirit centred upon the pretty All Saints Church, the excellent primary school and busy village hall. Ideal for commuters with its easy access to Southampton, Salisbury, and Winchester it is also convenient to the New Forest. The nearby market town of Romsey offers more comprehensive amenities for everyday needs. Facilities include a range of individual shops, schools, leisure facilities, doctors and dentist surgeries and public transport by way of bus and rail services.

This handsome family home offers generous proportions throughout along with a stunning garden. When the owners purchased the property six years ago, it was very much a full renovation project, with their vision for the property now fully realised a beautiful family home has emerged. Boasting a large sitting room, kitchen, separate dining room, three spacious bedrooms and two stylish bathrooms, this property has plenty to offer. The ground floor offers a large sitting room with bi-fold doors opening onto a patio with views over the rear garden. The separate dining room overlooks the front elevation with a large feature bay window. The kitchen breakfast room is in a contemporary style with an abundance of counter-top space and a breakfast bar for informal family dining, bi-fold doors open onto the patio that spans the full width of the rear of the property. A cloakroom/utility room completes downstairs. The first-floor features three well-appointed bedrooms, including a principal with its own ensuite bathroom, the remaining two bedrooms share access to a spacious family bathroom. The bedrooms to the front elevation also feature large bay windows.

The renovation works carried out by the current owners have been extensive and include, among other improvements, new double-glazed windows throughout, complete re-plastering, a new boiler and electrics. Subject to the necessary planning consents, the property also offers considerable scope to extend and reconfigure, presenting the potential to create a four or even five-bedroom home to suit growing families or changing needs.

The property features a spacious driveway that leads to a detached single garage with electric, offering plenty of loft storage space. Set on 0.4 of an acre, this immaculate garden has been fully re-landscaped by the current owners. The garden has been thoughtfully designed, featuring a generous lawn area bordered by mature planting, raised vegetable beds and fruit cage. The garden is finished with a charming decking area ideal for al fresco dining, whilst being cleverly landscaped to include additional areas to capture the sun throughout the day. The home enjoys a tranquil and private setting.

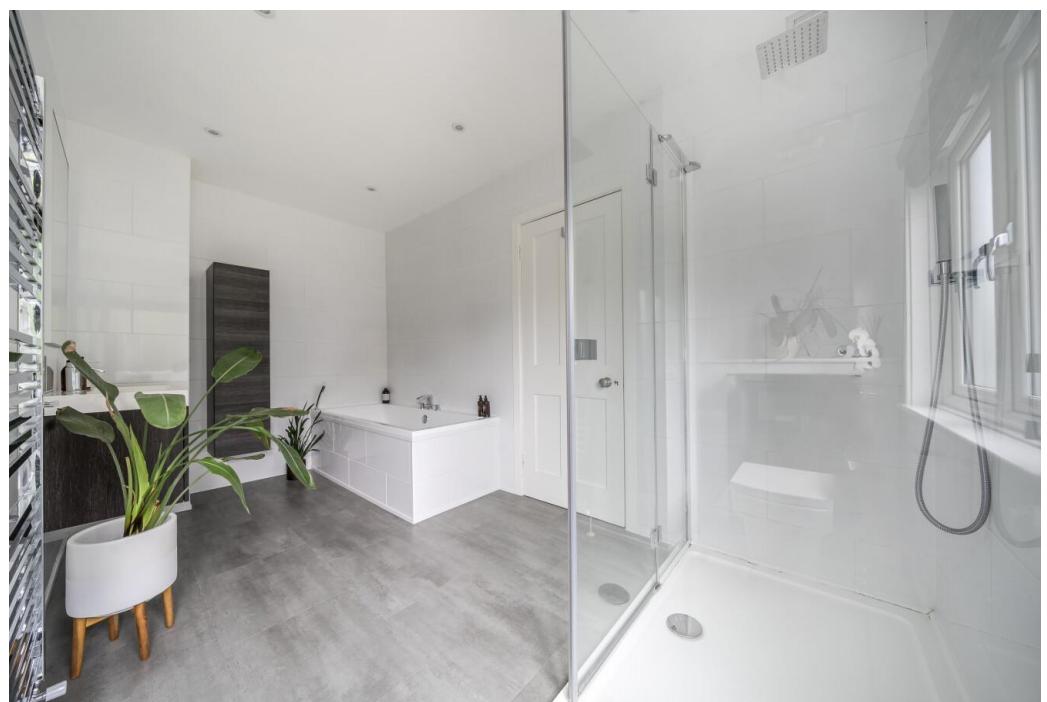

Located on the ever-popular Danes Road, the property occupies a consistently sought-after residential position. Homes on this road have long demonstrated strong and steady buyer demand, meaning any investment made into the property is underpinned by its location, offering reassurance that future improvements or extensions are likely to be well supported by the market over time.
