DESCRIPTION:

This distinctive one-bedroom loft-style apartment sits within the landmark Technical development and features a versatile mezzanine level and an impressive windows that fills the space with natural light. Offering just under 600 sq ft, the home delivers characterful living in the heart of vibrant Leyton.

The main living area is defined by its double-height ceiling and open proportions, with a kitchen at one end and a comfortable lounge space at the other.

A staircase rises to a mezzanine level positioned above the kitchen, ideal as a reading nook or occasional guest area.

The U-shaped kitchen is finished with sleek, handleless cabinetry, contrasting trims and metro-tiled splashbacks for a clean, modern look. Opposite, the shower room is smartly appointed, and the hallway includes useful built-in storage.

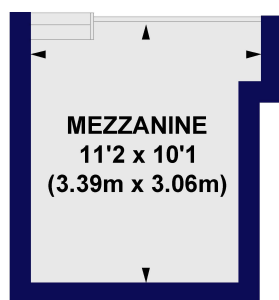

With its lofty ceiling height, mezzanine floor and industrial-style glazing, the apartment has an unmistakable warehouse feel, complemented by a crisp, contemporary palette more reminiscent of East London loft living than traditional Leyton homes. The flat also benefits from Leyton station being an easy walk away, which is situated on the central line.
