DESCRIPTION:

Entering the property and into the studio space. A great sized room that is filled with natural light courtesy of large windows to the front, providing you with a lovely view onto the central communal gardens. Two striking features are the wooden floors and the vast amount of built-in storage options the studio space provides. Through to the kitchen on your left. You will find a more than ample amount of counter space and plenty of cupboards for storage. You will also find space to add utilities should you wish too. The window keeps the kitchen a bright and pleasant area to enjoy cooking. To the rear is the bathroom. Housing a bath with overhead shower and a sink. The w/c is separate, located opposite the kitchen. The decked patio to the rear is a lovely private outside space to enjoy. A shed occupies a portion of the space, but this could be a nice area for some alfresco dining in the warmer months. Lastly there is a communal laundry room, if you prefer not to have a washing machine in the flat.
