DESCRIPTION

A detached family house with brick, painted rendered elevations under a tiled roof and with accommodation over two floors. Believed to date from 1928, the owner has lived in the house since the late 1970's and you can see why he's been settled for so long. The layout can be seen in the floorplan which is well proportioned throughout and there are many character features which include wooden floors and an authentic fireplace in the dining room and picture rails and crittall windows in most rooms. Outside, the house is approached by a tarmac drive with ample parking leading to an integral single garage. The gardens are essentially on all sides and are predominantly laid to lawn with a variety of mature hedging and trees. An internal viewing is strongly recommended to fully appreciate what the house has to offer. In all, the property lies in a plot of approximately 0.45 acre.
