OAKHILL ROAD, SW15

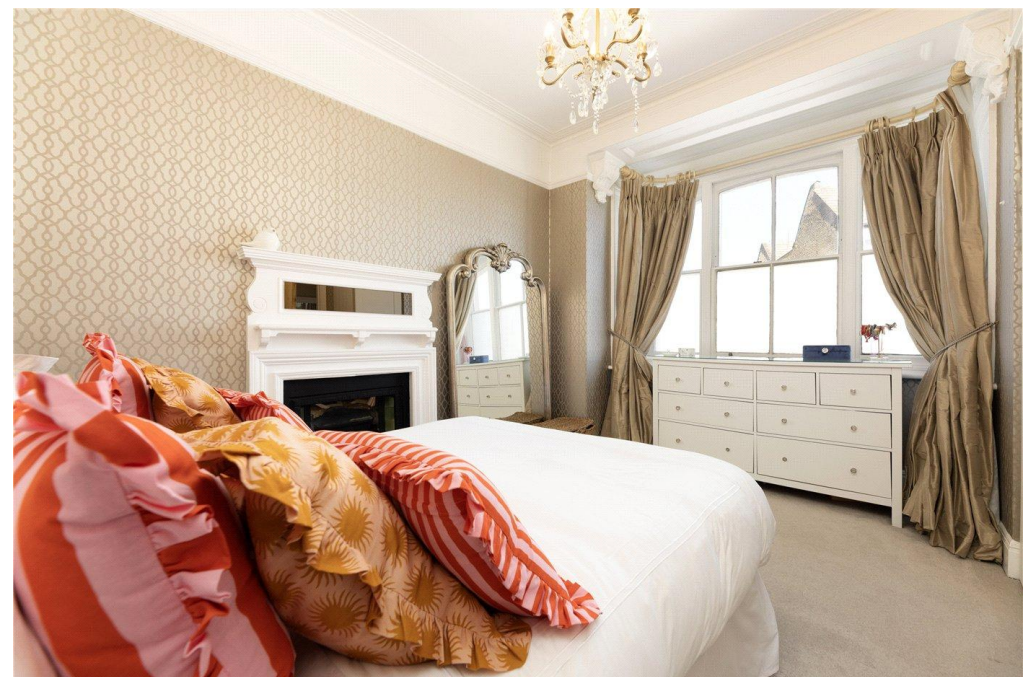

This elegant double-fronted detached house offers a rare opportunity to purchase a period home in one of Lower East Putney's most desirable locations. Arranged over three floors and carefully maintained and updated by the current owners, the property combines generous proportions with an abundance of natural light and versatile living space.

On the ground floor, two spacious reception rooms provide excellent entertaining space, complemented by a separate dining room that adjoins a well-sized kitchen. From here, doors open onto a charming patio garden, with a further lawned garden to the front and side — a unique feature for the area.

The first and second floors host four double bedrooms, including a superb principal suite with en suite bathroom. With ample lateral space throughout, this home balances period character with modern family living.

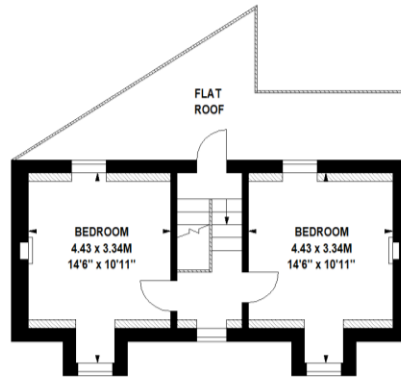

Ideally situated moments from Wandsworth Park, the River Thames, and a choice of transport links, including East Putney Underground, Putney and Wandsworth Town Mainline stations, as well as the Uber Boat pier. Road connections are equally convenient with easy access to the A3. Detached houses are exceptionally rare in this location, making this an outstanding opportunity to acquire a unique family home in the heart of Putney.
