DESCRIPTION

Enter the flat on the second floor of this charming Grade II listed building, and immediately to the right you will find the open-plan kitchen reception featuring spectacular high ceilings, and three large sash windows. The entire lower floor benefits from impressive 3.12m ceiling heights in the kitchen/reception room, second bedroom and family bathroom, creating an exceptional sense of space and light throughout. There are very pleasant views offered over the communal gardens below, and the space feels both light and airy.

The kitchen features integrated fan-powered electric oven and induction, microwave oven, sink and dishwasher with space for a large fridge/freezer. Built in joinery provides fantastic storage on the nearside of the reception and there is ample space to accommodate a dining table and chairs, sofas and coffee table.

Continue down the light hallway and there is more than enough built in storage on offer with space to accommodate a washing machine and dryer. At the end of the hallway is the modern, family bathroom featuring bath with overhead shower, sink, W.C. and heated towel rail.

Next to the bathroom is the second bedroom with space for a double bed and additional space reserved for free-standing furniture.

Upstairs, you will find the main bedroom with ensuite shower room. The bedroom is a wonderful size with plenty of space for storage and a king-size bed. The ensuite tiled shower room features a large walk in rainfall shower, sink, heated towel rail and W.C. Access to the large private balcony with far-reaching views is granted via sliding doors from the main bedroom, and from the landing at the top of the stairs.

The building has excellent, well-maintained communal gardens.

Please note that plants have been added to the photo of the balcony using AI.
