DESCRIPTION:

A two double bedroom, ground floor garden flat in this converted, detached, double fronted Victorian building. The exterior of the property has been sympathetically restored and the original developer put a lot of thought in how best to provide a contemporary living space in a Victorian building. Nearest transport is provided at West Norwood station with its frequent services to London Bridge and Victoria. The amenities along Knights Hill are moments away as is the West Norwood leisure centre and Picture House cinema. There is also a very useful bike storage shed at the front of the property. It really is a fantastic flat.
