TREADGOLD STREET, W11

This stunning interior designed house has been renovated to an exceptional standard with no expense spared. The property has been extended to the rear by the kitchen/breakfast room and had the loft converted to create another bedroom and shower room.

The property is entered directly into a large and bright double reception room with parquet wooden flooring and two feature fireplaces. Under the stairs there is a fantastic feature wine cellar. To the rear you will find a fully integrated kitchen with high quality appliances and dining area. This leads onto a landscaped garden via crittall glass double doors with a large patio perfect for barbeques and entertainment. The house has two bedrooms on the first floor, the front bedroom is considered the master with a large luxurious bathroom with separate bath and shower with Calacatta Oro marble features and high-quality fittings. The second bedroom is at the rear and there is separate family bathroom decorated in stunning Carrara marble mosaic tiles. Up the stairs, is the third double bedroom with en-suite shower room plus additional loft storage. All bedrooms include high quality bespoke fitted wardrobes.

Treadgold Street is a quiet treelined street located moments away from the many restaurants and boutiques of both Notting Hill and Holland Park. Latimer Road (Hammersmith & City and Circle lines) and Holland Park Underground Stations (Central line) are within easy reach.
