DESCRIPTION

This truly stunning family home is the perfect example of a 1930's semi-detached property, extended and renovated throughout to an extremely high standard. Benefits include fantastic open-plan living space, superb décor and design, a vast cabin at the end of the garden and a convenient location, close to a variety of transport links and several well-regarded schools.

The accommodation to the ground floor comprises a spacious entrance hall with bespoke fitted storage under the stairs, a cloakroom/WC, a front aspect living room with a log burner, fitted cupboards and a large bay window including plantation shutters, a useful utility cupboard and quite simply, an outstanding open-plan kitchen diner/family room. The kitchen area has been thoughtfully designed by the current owners, to include an island with quartz worktops, wine cooler, fitted high-end appliances, air-con/heating unit and beautiful Crittall-like doors overlooking the rear garden. Upstairs, as you enter the first floor there is a second air con unit on the landing, two well-proportioned double bedrooms, both including fitted wardrobes, a third single bedroom, and a luxury family bathroom.

Externally, the circa 65ft landscaped rear garden enjoys a westerly aspect and offers a generous patio area providing the perfect setting for alfresco dining and socialising. At the end of the garden, there is an impressive, insulated cabin, ideal as a home office or studio plus a workshop/storage area, and a large decking ideal for relaxation. To the front, the driveway provides off street parking and an EV charger as well as side access.

Locally, the property is set within easy reach of Stoneleigh Broadway and Worcester Park high street, both providing an array of amenities such as shops, restaurants and transport links including Worcester Park and Stoneleigh train stations as well as a variety of bus routes towards Kingston, Epsom, Sutton and Heathrow. Families will benefit from well-regarded education including The Mead Infant and Nursery School and Cuddington Community Primary School and several parks including the historic Nonsuch Park.

The property offers further scope for extension subject to the usual planning consents.
