DESCRIPTION:

This is a rare opportunity to acquire an elegant apartment of grand proportions, converted from the second floor of a substantial detached house dating from the 1860s, located in one of the highly sought-after roads off Hampstead Lane only moments from Hampstead Heath.

The property comprises some 1261 sq. ft. accommodation which includes 4 bedrooms and forms part of a handsome, double-fronted Victorian residence, built in rare gaunt brick and set back from the road by its own drive and front garden. Although requiring modernisation, the property presents an ideal opportunity for refurbishment-seekers to renovate a home in a first-class location to individual taste. Perhaps the most attractive feature of the Flat is its large reception room with triple aspect windows that affords leafy views over the playing fields of Highgate School. The property also benefits from a beautiful, mature residents' garden, so unusually large as to be shaded green on the A to Z!

Ideally located off Hampstead Lane and a short stroll to Hampstead Heath, Kenwood and Highgate Village, the property lies next to the open playing fields of Highgate School.
