for every step...

This exquisite two-bedroom property occupies the ground floor of a handsome Victorian building and has been completely remodelled and finished to an exceptional standard throughout. Designed in collaboration with Neptune, the interiors balance period charm with a refined, contemporary aesthetic.

The heart of the home is a generous open-plan kitchen and living space, featuring bespoke Neptune cabinetry, quartz marble worktops, and Crittall-style doors that flood the room with natural light and open seamlessly onto a private landscaped garden — perfect for entertaining or quiet relaxation.

Both bedrooms are thoughtfully proportioned, with the principal room overlooking the garden and the second ideal as a guest bedroom or study. The bathroom is a true highlight, finished in quartz marble with a sunken bath tub, creating a spa-like retreat.

Throughout, the attention to detail is exceptional — from the herringbone flooring and architectural lighting to the bespoke joinery and quality fittings — resulting in a home that feels as practical as it is luxurious.

Conveniently located moments from Earlsfield Station, Southfields Village, and Wimbledon Park, this property offers both style and substance in equal measure.
