OWNERS COMMENTS - This was our family home where my brother and I grew up and we just loved it. The nest is now empty, and it is time for another family to create its memories and enjoy it as much as we have. Always a warm and loving home, it proved to be a magnet for all the neighbourhood kids. The garden was the key attraction on those sunny days and the queue for my swing seemed to stretch for miles. Yes, 109 will always hold a special place for us. particularly the oak tree which I planted. I know another family will love it as much as us.
