restaurant with offices and residential above.

- GIA c. 8,214 sq ft / 763.1 sq m
- Attractive capital value at circa £850 psf.
- Post-redevelopment income c. £700,000 pa
- Prime Knightsbridge location
- Significant STP development potential
- Strong luxury retail & dining destination

Location

Sitting in the heart of Knightsbridge, one of London's most prestigious districts.

The street is famed for luxury boutiques, fine dining, and historic character.

Just moments from Brompton Road, Harrods, and Harvey Nichols, it attracts global visitors year-round.

Surrounded by Chelsea, Kensington, and Belgravia, it offers an unrivalled super-prime address.

Description

Former home of San Lorenzo, spanning four floors with mixed commercial (Class E) and residential (Class C3) use. Ground and lower ground previously operated as the restaurant, with kitchen and W/C facilities.

Upper floors offer strong potential for residential conversion and vertical extensions (STP). In need of modernisation, the property presents a significant redevelopment opportunity in prime Knightsbridge.

Local Investment

Knightsbridge continues to thrive as one of London's premier destinations, home to Harrods and a vibrant mix of luxury retail, dining, and culture.

Major investment is underway, with The Knightsbridge Estate delivering a 67,000 sq ft mixed-use scheme and Cadogan Estate committing £40m to transform Sloane Street's public realm. These projects will enhance the area's appeal and reinforce its status of elegance and lifestyle.

Transport Links

Knightsbridge benefits from excellent connectivity, with three Underground stations all in Zone 1.

Knightsbridge and Hyde Park Corner stations provide direct access via the Piccadilly Line, while South Kensington station links the District, Circle, and Piccadilly Lines - ensuring fast and convenient travel across Central London.

Future Re-generation

Beauchamp Place is set for an enhanced streetscape as part of The Royal Borough of Kensington & Chelsea's vision to revitalise this iconic Knightsbridge street. Plans include wider pavements, improved surfaces, traffic calming, and new tree planting - creating a more attractive destination for shopping, dining, and leisure.
