DESCRIPTION: A rare opportunity to acquire a charming and fully renovated period property in the ever so popular residential Woodcock Dell Avenue. After being occupied and well maintained by the same family for 50 years, this house was given a thorough back-to-brick renovation and extended to the side and rear. The interior is designed for those who appreciate open-plan living, with quality fittings, and a peaceful environment flooded with natural light provided by scattered sky lights. The property is as fresh as a new build with the charm of a period property. It is an exceptional opportunity to acquire a stylish London house, with well-designed outside space, which is also within easy reach of tube stations and schools.
