Description

A striking and extremely well positioned building offering a diversified investment with scope for significant uplift with strong asset management. The ground floor offers a well-equipped retail unit currently occupied as a takeaway restaurant with a fully-equipped commercial kitchen. The commercial lease has a term of 17-years unexpired with Rent reviews four-yearly from the start date in 2022.

The upper floors are currently laid out as a fully licensed HMO having been let on a guaranteed rent agreement for the past four years. These rooms could benefit from refurbishment to increase the quality of the habitable area and thus generate an increased rent roll for the property. The current HMO license runs until 2029 with the upper floors being provided with vacant possession on completion.

Location

This building occupies an exceptional frontage on one of the most prominent parades in Turnpike Lane. There is a strong local community with a notable belief in supporting local business where possible, for this reason there are several highly successful occupiers who may have not seen such fortune in other areas of the capital. Transport Links are abundant with Turnpike Lane within a two minute walk and numerous bus routes leading directly to the City.
